

LET'S FUTURE UP

## E-JOURNAL OF JANUARY

### LET'S FUTUREUP IS NOW ON SOCIAL MEDIA!

Our project has been published on 11 different publications. As such, we have become more known.

### JANUARY 13<sup>TH</sup>

Mr. Abdula stated especially the importance of "social entrepreneurship" in his speech. He expressed that, we shouldn't see today's entrepreneurship as only "funds"; we should think on their social-returns.

AKAN ABDULA

He also mentioned that we shouldn't only compete, we should be amicable and move forward shoulder to shoulder to create some difference for people.  
"We have to be emphatic for a true purpose"

### JANUARY 20<sup>TH</sup>

We realized our WeTalk event with precious participation of Ruud de Reijke, North America Facility Manager. Mr. Reijke talked about the required abilities for work in a global company. He also mentioned that, it has to be balanced between special times with family and professional life.

RUUD DE REÏJKE

"Explore the growing business markets. Don't restrict yourself with your comfort-zone."  
He completed his speech with detailing the automotive industry. He shared his experiences on the difficulties of professional life and how to overcome them.
